## WORK EXPERIENCE

### Senior FullStack Developer

we.CONECT Global Leaders GmbH

03/2018 – Present

Berlin, Germany

PHP, Wordpress, REST, API, JS, JQuery, DevOps

#### Achievements/Tasks

- I have been managing 90+ event websites in all aspects. I set-up the DevOps and developed dozens of new features for backend and frontend.
- Suggested and implemented several improvements to existing processes so that we apply Scrum methodology.

### Team Lead/ Senior Software Engineer

NCR Corporation

08/2015 – 10/2016

Nicosia, Cyprus

C#, .NET, XAML, Scrum

#### Achievements/Tasks

- I have been involved in two Activate (ATM Software solution) projects for the banks of Mashreq (Dubai) and QNB (Qatar).
- Applied scrum methodology for a team of eight.
- Working on-site and/or remotely on client's premises to support, deliver solutions and train IT and business teams.

Contact: Lila Skoufaki, Andreas Theodosiou, Jad Georges Salameh

### Software Developer, Research Associate

Software Engineering Lab (SWENG)

09/2010 – 08/2015

Aristotle University of Thessaloniki

PHP, JS, PostgreSQL, NodeJS, Java, Linux Administration, PM

#### Achievements/Tasks

- Full Stack Developer involved in the development of several platforms. for European Union projects focusing on open education
- Lecturer at "Entrepreneurship & Innovation", "Introduction to Software Engineering" and "Object Oriented Analysis" courses.
- Project Manager in Centers of Excellence for Open Source (an initiative to promote the use of Linux and open source in the Greek public sector). I managed the program for six months, training fifty participants and organizing events.

Contact: Prof. Ioannis Stamelos, Assoc. Professor Pantelis Papadopoulos, Andreas Meiszner

## ACHIEVEMENTS

### PMP (Project Management Professional)

Project Management Professional (PMP) is an internationally recognized professional designation offered by the Project Management Institute (PMI). Active member of PMI Chapter Berlin.

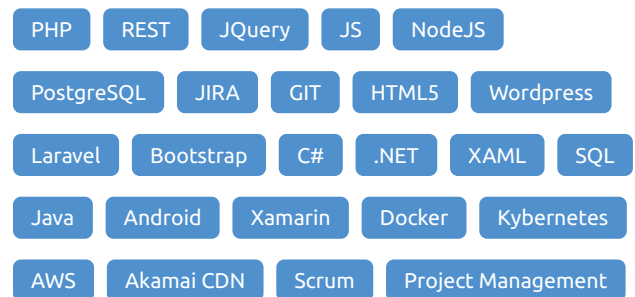

### Google Associate Android Developer scholarship

During the program by Udacity, I have acquired all the skills to become an Android developer while completing 2 advanced apps.

### 2nd place in Apps4Greece competition

With my carpooling startup: carmate.gr

## SKILLS

## RESEARCH PROJECTS

### OpenED.eu

- A social network promoting open source and open education. It was EU's first MOOC platform, offering 10 business modules and giving the users self-print certificates.

### OpenSE.net

- A social network focused on Computer Science students and practitioners across Europe, offering repositories, wikis and groups functionality.

### Innoentre.com

- A social network focusing on innovation and entrepreneurship giving free access to an extended library of related material and supporting entrepreneurship courses in 3 universities in Denmark, Portugal and Greece.

### Other Experience

- I have developed several projects as a freelance web developer: hellasfilmbox.de / crcnetwork.org / mion-records.berlin / gs-home.gr / masterclean.gr / cityoferrors.com / chatzivaritis.gr / jesterland.net / karalisvolos.gr / bakalexis.com / learnenglish.gr / galaxiasvolos.gr / tokalis.com / ethos-trade.com /

## EDUCATION

### BSc Computer Science

Aristotle University of Thessaloniki

### MSc Informational Systems

Aristotle University of Thessaloniki
